

Start your journey of
DISCOVERY!

Bring your curiosity to life.

Intern (all genders) at Inhouse Consulting (Req ID 224615)

A career at our company is an ongoing journey of discovery: our 58,000 people are shaping how the world lives, works and plays through next generation advancements in Healthcare, Life Science and Electronics. For more than 350 years and across the world we have passionately pursued our curiosity to find novel and vibrant ways of enhancing the lives of others.

Your role:

We offer you the opportunity to gain insight into the work of a leading internal consultancy. You will support the Inhouse Consulting team in challenging projects across all businesses and functions within the Merck Group and gather experience in project management. Depending on the project, you will join during various project phases from analysis and concept development to implementation. With our various and broad capabilities within IC we are supporting local and international projects in various functions like Business Development, Innovation, Marketing & Sales, Strategy, Supply Chain Management and Production, as well as Controlling, Human Resources or Procurement.

Qualifications:

- Advanced & enrolled student (Master or Ph.D.) of either business administration, economics, business chemistry, natural/engineering sciences with sound business knowledge
- Analytical competence and reliable handling of complex issues
- Strong communication skills and team spirit
- Proactivity, flexibility and quick understanding
- Outstanding record of academic achievements
- Very good written and spoken English language skills

Duration: 3-6 months starting between September 2021 and October 2022

Location: Darmstadt, Germany

What we offer: With us, there are always opportunities to break new ground. We empower you to fulfil your ambitions, and our diverse businesses offer various career moves to seek new horizons. We trust you with responsibility early on and support you to draw your own career map that is responsive to your aspirations and priorities in life. Join us and bring your curiosity to life!
