

GERMAN CHEMICAL SOCIETY

CALL FOR NOMINATIONS NAMED LECTURES 2024

Hermanos Elhuyar - Hans Goldschmidt Lecture
(Spain)

Richard Willstätter Lecture
(Israel)

Victor Grignard - Georg Wittig Lecture
(France)

The GDCh seeks to enhance and advance international collaboration through its named lectures. Distinguished individuals from their respective nations are invited to Germany for a lecture series.

In accordance with its statutes, the GDCh is committed to equal opportunities for all. We therefore expressly encourage nominations from all sectors of society (universities, public bodies, industry) and from all individuals.

Nominations can be submitted until April 30, 2024. A short letter of motivation, a curriculum vitae and a list of the of TOP 10 publications must be included. Applications are not possible.

**Help to make chemistry visible. –
Send us your nominations today.**
