

GESELLSCHAFT DEUTSCHER CHEMIKER

The Karl-Ziegler-Foundation, administered by the GDCh, will award the

## Karl Ziegler Prize 2023

### The Prize

The award endowed with 50 000 € is one of the most well-endowed prizes awarded by the GDCh. It also includes a certificate and a gold medal.

### To whom will the prize be awarded?

The prize will be awarded to scientists pursuing research in the area of Karl Ziegler. These are, in particular, organometallic and inorganic chemistry, organic and applied chemistry, polymer chemistry and catalysis.

This award is not only bestowed to honor lifetime achievements but also to highlight the research of younger scientists who have already contributed significantly to chemical research through their endeavors.

### Nomination

Please submit your nomination for the Karl Ziegler Prize 2023 including a short cover letter, a curriculum vitae as well as a list of the TOP 10 publications and other relevant documents of the nominee to the GDCh office by **November 1, 2022**. The nomination can be submitted preferably via the online form at [gdch.de/nominations](http://gdch.de/nominations). Self-applications are not possible.

The President of GDCh  
Dr. Karsten Danielmeier
